Week 6 Term 4 – Thursday 22nd November 2018

What a very exciting day it has been today- Sports Day and the annual Sausage Competition! An annual tradition that I think has spanned five years today. Mrs Bell quite willingly gave up her reign as the original judge this year... something I think she has been trying to do every year! Thanks so much to all our volunteers from St Luke's, Roseville and St Aloysius, along with volunteers from Elsevier and all the parents that joined us.

Stephanie Hopkins: Principal

Manly West Visit

Monday we welcomed two busloads of musicians from Manly West, well over 60 students. Both bands performed and treated the Arranounbai students to some fabulous entertainment. Arranounbai students showed fabulous Arranounbai Attitude as they were the perfect audience. Well done everyone!

Thanks to Our Community Service Schools

This week we have had the pleasure of Meg, Sophie, Lucinda, Gabby, Alexa & Amelie in classrooms all week. The girls have represented Roseville College with great pride. Thanks for your involvement.

We also had two groups of boys from St Aloysius, one on Wednesday, the other on Thursday. Thank you!
Next week St Augustine students join us from Monday to Thursday.

Sports Day Thanks

Thanks to Miss Yu and her team of Sports Day organisers who have worked tirelessly over the last few weeks to ensure today was spectacular. Thank you for your hard work and preparation. Check out the Funtime's had by all.

Class Merit Award recipients- Week 5

Congratulations to the following students who received class awards at Friday's Assembly.

SKG – Isabella	Kitchen Garden - James
SM - Rylee	Fitness – Rex
SW – Matthieu	Swimming - Michael
JA – Max	Library – Toby & Remi
JK – Grace	Reading – Jonah & Jatin

JC have enjoyed learning about the body during Semester Two and have learnt about internal organs such as the heart, lungs and brain. The students can be heard asking others how they are feeling and if they can feel their pulse. This term we are also learning about sound. The students enjoyed feeling the vibrations on a guitar and our voice boxes.

**Arranounbai Attitude Awards**

Congratulations to the following students, who gained their tokens to receive their Silver and Gold Awards.

Kai, Isabella, Evie

Rachel, Jin, Jakson, Will, Archie

**“A few of my favourite things...”**

One of my favourite things is when I get a text through the day to say “ Ms Hopkins have you got a moment to pop in and see my class as they are working so hard?” No matter what is going on when you get a text like this you drop everything and visit. It was fantastic to see the boys working on perimeter and area. When I came to look at them in action they could demonstrate perimeter and show me where the area was. Jonah even explained that his area was a vegetable garden and he showed me where each vegetable was. Great work boys. Thanks Mrs Spence for the text, I really appreciate it.

Class of the Week

Each week during assembly a ‘spy’ will watch each class, looking for those doing their best to follow the Arranounbai Attitude. At the end the spy will announce the class that has shone that week.
