Week 9 Term 2 – Thursday 27th June 2019

As I write this I have MasterChef going on in the background. Usually I am watching in awe as they get a handful of ingredients and turn it into an incredible meal. I open the fridge which is relatively full and I can't make a thing...everyone has their own talents. Speaking of whizzes in the kitchen, we are losing one after the holidays to the joy and thrill of travelling. Mrs Rickers is off to explore the great land of Oz, over land and sea next semester. We wish you the safest of travels and look forward to seeing regular updates on dojo. Bon Voyage!

Earn and Learn

Woolworths ran out of stickers in many stores a few days before Earn and Learn officially finished. So now is the time to send in ALL those stickers that you have busily collected and send everyone of them in to Arranounbai. Every sticker converts to \$ that we can spend on resources for our school. All the sticker sheets must be counted and collected by Friday 5th July – thankfully the staff have found it quite therapeutic to stick as they have lunch. Thank you so much for all your support.

Term 3

School returns for students on Tuesday 23rd July. Staff return on the Monday but will not be at Arranounbai. We are all attending professional learning sessions in Dee Why.

St Ignatius - Riverview

Many thanks to the Year 10 boys who completed their service week at Arranounbai this week. We loved having all of you in our classes.

Communicating, Cooperating, Caring

Pizza Love

Thanks 4K for returning from Belrose Fruit Shop with my favourite food, pre-prepared so that I could cook it when I got home...brilliant! It was a pretty good pizza too and I am a connoisseur (self appointed of course 😊)!

Isabella totally agreed with my love of pizza as she giggled giving it to me, either that or it was my attempt at the Italian "Bellissimo!" Either way, many thanks.

Athletics

Last week Miss Dadd organised Ilse from Athletics Australia to come and spend a session with 1A, 2C, 3M, 3N, 4K and 5S on Friday afternoon for sport. Students were having relays, warming up by following all the actions and throwing bean bags. She will be back tomorrow afternoon. Thanks so much Miss Dadd for planning it.

Congratulations

There is always so much going on in the wider school community that it can be hard to keep up with. Then you hear wonderful news that just has to be shared. Congratulations to Thales who had his Australian Residency granted on Monday. Celebrations a plenty in the Bruce household this week.

This Week: in 2J

In 2J, we are learning how to use our new communication devices. The system we are using is called Proloquo2Go. This system is designed to help the students

communicate their wants and needs to those around them. These photographs show the children learning to request their food choices at lunch time. As you can see Gigi, Aurora, Miguel and Surya are trying hard at this new skill and we are so proud of their efforts.

Congratulations to the following students, who gained their tokens to receive their Bronze, Silver and Gold Awards.
