Week 4 Term 4 – Thursday 5<sup>th</sup> November 2020

Tuesday evening, I was invited to attend a dinner with Balgowlah Rotary. The night was a community awards evening of which I was privileged enough to receive the Pride of Workmanship Award. It is an absolute honour. Balgowlah Rotary has been a friend of Arranounbai for the past three years, since I was first asked to speak at a meeting. This has been a very beneficial community connection and their support of our little school continues to grow. I look forward to working with them further. I did warn them that 2021 will be HUGE as we have been so restricted this year... I hope they will cope!

Stephanie Hopkins: Principal

## Chocolate Money

Just a quick reminder that **all** chocolate money is to be returned tomorrow.

## After School Care

Please find a letter accompanying this week's newsletter that is a link to a survey regarding Before and After School Care. This is an opportunity to raise the concerns and issues in regards to support outside of school hours.

## Design Projects

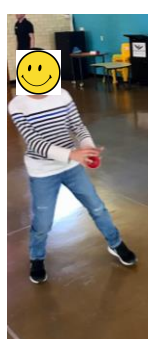

This semester each class has been set the challenge to design an outdoor activity board for use in an area of the school by all students. These designs will be presented by each class at assembly next week. I am looking forward to seeing what creative and sensory designs each class has come up with. (Can you see why Rotary may be very busy next year..!)

## THANK YOU

Many thanks to Andy for the donation of some great chairs this week. We do like a company refurbishment every now and then. Thanks also to Louis for his donation of some costumes, books and lego. These are greatly appreciated.

## Cricket Program

Week 2 of cricket took place this week and already the students look like professionals. It is a great program and one we hope we can be part of again in 2021.
