Week 4 Term 2 – Thursday 13th May 2021

*What a lovely activity to share on Mother's Day – cookie eating 😊
Were they not the BEST cookies ever? I struggled to stop at just one I must say. Huge thanks to the dynamic 'head' chefs – Mrs Golding, Mrs Rickers and Mrs Delaney for ensuring hundreds of cookies were made throughout the week.
Thanks too to everyone for the extra special thoughts this Mother's Day, making the day a little less tough. I am very grateful!*

Sailability is BACK...!

Yesterday 3M and 5N hit the high seas for the first time in what has seemed an eternity.

It was lovely to hear the buzz of staff and students chatting about their adventures as they moved out to lunch. It was a beautiful day, despite a storm warning.

Relieving Director Visit

Tuesday saw Mrs Hayley Emmerton have a visit to our little school. Mrs Emmerton is the Principal of Killarney High School but has been relieving Director this week. It was a fabulous opportunity for her to come and visit Arranounbai and see the students in action. She was

introduced to how an eye gaze works as Ava demonstrated her device. She popped into the kitchen as 1A were peeling plums...some very unusually coloured fingers. We then joined 5A in music and sang along to 'Can't stop the feeling' from Trolls as the students were discovering Music in the movies. Mrs Emmerton thoroughly enjoyed her visit.

P&C Meeting

Friday 21st May at 9:30am is the P&C Meeting for this term. It would be lovely to have you join us. Why not "kill two birds with one stone" – come and join your child from 8:50am for Walk to School Safely Day combined with Pirate Day. So, dress like a pirate and follow the treasure map as you walk around the school. Then join the P&C in the Green Room and have a cuppa as we meet. It won't be like walking the plank...I promise. I look forward to seeing you there.

5A Awesome Creations Coffee Shop

5A has been super busy this term practising our skills and getting ready to start our school coffee shop enterprise. We have created a menu, refined how to make the perfect hot chocolate, have filled the freezer with cookie dough and have begun working on taking orders and giving change!

Our plan is to have set times for each class to visit our coffee shop.

We will be improving our communication skills and developing new life skills while serving our friends and staff. Everyone in 5A is finding great roles in the business. Rach and Zoe will be taking orders using their communication devices, Aaron and Joe are wizzes in the kitchen, Lhamo and William are great shoppers and Evie is fabulous with chatting to customers. Lhamo's amazing hearing makes her the perfect person to listen out for when our hot chocolates are just the right temperature!!!

Keep an eye out in newsletters for the launch of Awesome Creations Coffee Shop over the coming weeks.
